

ISITEP -ID :Integrated Special and Inclusive Teacher Education Programme.-Intellectual Disability

The ISITEP course by RCI is designed to prepare teachers for inclusive education, equipping them with skills to teach both general and special needs students, thereby opening opportunities in schools, NGOs, and government institutions.

✦ What is ISITEP?

- **ISITEP** stands for *Integrated Special and Inclusive Teacher Education Programme*.
- Conducted by the **Rehabilitation Council of India (RCI)**, it is a **four-year integrated teacher education course** aligned with the **National Education Policy (NEP) 2020**.
- It combines **general education** with **special education**, ensuring teachers are trained to handle diverse classrooms.

🎯 Why is this course conducted?

- To **create a pool of teachers** who can effectively teach children with and without disabilities in inclusive settings.
- To support the **Government of India's vision of inclusive education** under NEP 2020.
- To address the **shortage of trained special educators** and promote equitable learning opportunities.

🌟 Benefits of the ISITEP Course

- **Dual expertise:** Teachers gain knowledge in both mainstream pedagogy and special education.
- **Inclusive teaching skills:** Training in handling children with disabilities, learning difficulties, and diverse needs.
- **Curriculum exposure:** Covers foundations of education, psychology, disability studies, assessment, and inclusive practices.
- **National recognition:** RCI certification is widely accepted across India.

👤 Who can do this course?

- Students who have completed **Class 12 (10+2)** with required eligibility criteria.
- Those interested in becoming **school teachers, special educators, or inclusive education professionals**.
- Ideal for individuals passionate about **working with children with disabilities** and promoting inclusive learning.
